Resonance Offers Online Courses

Online All India Test Series:

- Its is a combination of Part syllabus test, Cumulative Test, Full syllabus Test & All India Open Test.
- Provides perfect benchmark to the students to evaluate their performance across the country.

Online Topic Wise Test Series:

- Topicwise tests covering topics of all subjects, Includes questions from various Question types (Match the column, Integer type, Comprehension, MCQ etc.) asked in Exams.
- Round the year access to tests & attempt unlimited number of times.

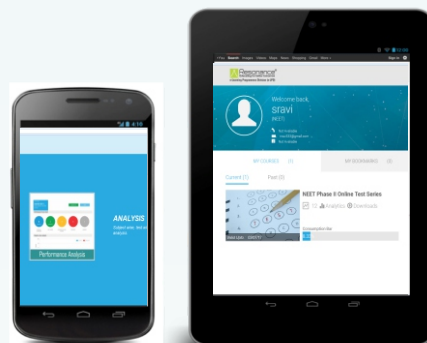

Online Daily Practice Problems (DPPs):

- DPP is a set of problems of multiple topics to strengthen concepts.
- Same DPPs are given to our classroom students too.
- Designed in a way to increase problem solving skills and a great tool for regular practice of problems.
- Structured in a way to facilitate revision of previous topics along with current topic.
- Round the year access to tests & attempt unlimited number of times.

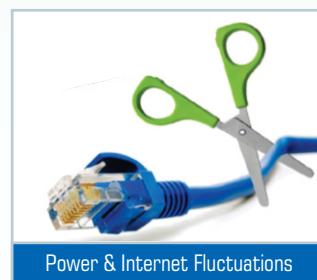

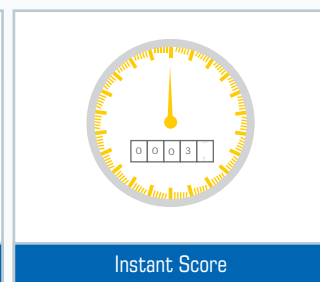

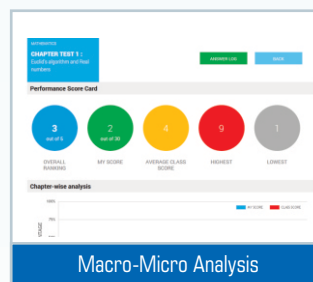

Benefits of Online Testing

1. Each Online Test (with Hints/Solutions) is available for the whole academic session. This gives flexibility to students to appear in the tests anytime and anywhere & on android device.
2. Answer key to all questions & hints / solutions to some important questions.
3. Online Tests are available for both English & Hindi Medium Students.
4. **Instant Score:** Students can get their Marks immediately after submitting the Test.
1. Virtual All India Rank: Students can ascertain their All India Rank (AIR) vis-à-vis Resonance Classroom & Live mode Distance Learning students.
2. Performance Analysis - Students' performance analysis charts & graphs are shown at various levels:
 - ✓ Subject wise
 - ✓ Topic wise analysis
3. Students can also download all the tests except those of BITSAT. (Only in AITS)
4. Internet connection is not required for the complete test duration. Internet is only required at the start & while test submission.
5. Online Tests are designed to handle intermittent power cuts and internet fluctuations. Students can save their test states, to resume those tests later.
6. **Seamless integration on all devices:- Start test on any device and finish it on any other device (Download "Online-Reso" app. from Google playstore).**

Online Testing available on web as well as mobile app (Android).

JEE (Advanced)-2016

ADITYA ANAND

Reso Roll No.: 11719961
JEE Adv Rank-286
JEE Main Rank -76

The online test series was very useful to me. I could practice various kinds of questions in a testing environment without the hassle of travelling every day. The questions were good and so were the solutions and follow-up for the test. The test series helped me in getting a good rank in jee main and advanced.

BITSAT-2016

SIDDHARTH SHEKHAR BARPAND

Reso Roll No.: 15120012
 BITSAT Roll No.: 167904
BITSAT Marks: 402/450

I took the BITSAT test series from the ELPD division at resonance. I must say, it was really helpful. It re-creates the test environment which helps the student during the real examination. It is really an authentic source of questions, as they were exactly of the same level as BITSAT. Speed is the secret of success in BITSAT and these timed tests help fight the time crisis and build speed, while not compromising on accuracy. The analytics helped me in figuring out my weak zones and working on them. This test series played a great role in my success. Thank you, Resonance.

KVPY-2016

AMEYA PATWARDHAN

Reso Roll No.:11720019
STREAM-SA
KVPY Scholar

The resonance online test series was very good and helped me perform to the best of my ability. The questions were well designed and helped test my knowledge. The user interface was also good and helped simulate the actual exam.
